

Nome Airport

Master Plan Update

AKSAS Project No. 62748

You are invited!

The State of Alaska Department of Transportation and Public Facilities (DOT&PF) is concluding the Nome Airport Master Plan Update that identifies and addresses the facility's current and future needs. The updated plan will guide the next 20 years of modernization, expansion and development of the Nome Airport, which serves as a regional hub for the Seward Peninsula, Norton Sound and surrounding villages.
